ACCOUNTANTS' COMPILATION REPORT

To The Board of Directors Salinas City Center Improvement Association Salinas, California

Management is responsible for the accompanying financial statements of Salinas City Center Improvement Association (a nonprofit organization), which comprise the statements of assets, liabilities, and net assets – cash basis as of November 30, 2020 and 2019, and the related statements of revenues, expenses, and other changes in net assets – cash basis for the years then ended, and the accompanying supplementary information contained in the statements of functional expenses – cash basis, and for determining that the cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all the disclosures ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Organization's assets, liabilities, net assets, revenues, and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Salinas City Center Improvement Association.

Annual Work Plan

Goals & Accomplishments and 2020/21

Salinas City Center Improvement Association

Executive Committee

Committee Members: Frank Saunders, President, Kevin Saunders, Vice President, Greg Piini, Treasurer Meryl Rasmussen, Secretary

2020 Accomplishments

- 1. We met with the mayor and City Manager, on a regular basis until Covid, to discuss various issues related to construction during the Downtown Streets Project. We negotiated some parking concessions and the reduction of fees. We pushed forward the idea of outdoor dining during construction and have pressured the City to make the public space use application process easier and less costly. We have maintained a good relationship with the City Council and City officials as well as the news media with the help of our Government affairs director Kevin Dayton.
- 2. We continued to support the City action against the Kehoe properties and this process has helped bring about a sale of the properties to Taylor Farms. These are two of the most important undeveloped properties within the Assessment District and the future is looking much better as a result of our efforts.
- 3. We have asked for a long time now that the Salinas Police Department take an active step in the security of the City Center. Recently, Chief Frese assigned two officers to the City Center. We have already seen positive results of this action and I have personally met with Officer Sanchez on a number of occasions to discuss some of the transients in our City Center. He is making an effort to identify repeat offenders and to find ways to discourage their presence. Legal records are available for those on parole or probation and the more we know about them the better. He made it very clear that he needs business owners to come forward with complaints about anyone harassing customers or creating a nuisance in the City Center.
- 4. Finally, in spite of Covid we have continued to move the vibrancy agenda forward and we are beginning to see the results of our many efforts.

2021 Goals

- 1. The number one goal is to hire a working staff employed by SCCIA, tasked with keeping our City Center clean, secure, and free of trash and debris. Our employees would have multiple duties to include but not be limited by the following
- walk the entire district daily
- become familiar with all businesses in the City Center and introduce yourself whenever possible
- keep sidewalks and trash receptacles clean and free of debris
- remove animal and human feces when necessary
- confront nuisance individuals and move them out of the district or call police if needed
- Report unsafe conditions
- Report graffiti immediately
- answer questions of visitors to the City Center
- Secure tables and chairs on a nightly basis
- 2. It is imperative that we interact with the Mayor and City Council as well as the next City Manager to further our vibrancy goals. We must keep reminding the City that the Methodist Church committed to move its food service to the new homeless shelter on Laurel when complete. We should pressure the City Manager and public works to begin cleanups of all of the campsites within the city. The trash and human waste is a terrible eye sore and health risk for the entire city.
- 3. We must continue to monitor the progress of the Complete streets project and make recommendations as needed.
- 4. We should monitor the Cities process of marketing surplus City land in the Lincoln Ave corridor and provide input to potential developers on the attributes of building in the SCCIA district. This project could include a new City Hall and Permit Center on an as yet to be determined site.
- 5. We should continue to work with the City and County on a large parking structure to be built on the South west corner of Church and Gabilan Streets.

- 6. We should continue to push for mixed use, high density housing in our district as vibrancy to a large degree is created by people living and working within the district.
- 7. We should continue to monitor vacant and/or blighted properties within our district and if necessary, involve the city for enforcement of codes.

Special thanks to Fred DeYoung and Steve Ish for attending multiple meetings with Myself, The Mayor, and the City Manager in the pursuit of SCCIA Goals.

Introduction

The Sidewalk Operations, Beautification, and Order Committee (SOBO) is charged with making the Salinas City Center District (District) a safer, more family friendly place by overseeing private security and making efforts to coordinate security needs with the City of Salinas Police Department. In addition, the SOBO Committee works on beautification efforts to keep the District well maintained and landscaped for the public, merchants and property owner's enjoyment.

Committee Background

The SOBO Committee was established in 2016. Over the past four years there has been a volunteer working group that addresses security and sidewalk maintenance. With Covid-19 and a variety of other factors, we have not had consistent monthly meetings to discuss present needs and issues of importance, but we have had periodic meetings to discuss specific/pending issues that need to be addressed.

As a result of Covid, SOBO discontinued use of Uretsky Security and hired Allied Security provide a patrol presence and a sense of security in the District. SOBO also lost the services of HOPE Services with the Covid pandemic. The Committee recently executed a month-to-month contract with Smith and Enright Landscaping to maintain sidewalks and gutters in Zone 2. Smith and Enright is also contracted to provide similar services in Zone 1. As funds permit, new plantings have been installed, including adding seasonal color. Landscape crews trim, sweep, weed, brush, blow and otherwise maintain the District, including litter removal. SOBO has worked with the SCCIA's DISI Committee to collaborate on security and maintenance.

Committee Accomplishments

In the 2019/20 Fiscal Year, SOBO has transitioned through three separate contracts to change landscape services from New Image Landscaping to Smith and Enright, the Covid-19 switch from Uretsky Security to Allied Security and a temporary change from HOPE Services to Smith and Enright for Zone 2. Until the State of California clears HOPE to resume services, Smith and Enright will provide once a week service to Zone 2.

As with any contract change, there is a learning curve along with the time involved learning to work with new service providers to establish communications and a working relationship. I believe SOBO and its providers are now generally dialed in and there are periodic conversations and adjustments that are typical in providing service.

In addition to Covid-19, starting in April SOBO was faces with maintenance issues associated with both the construction on Main Street and associated litter and maintenance issues. Add the ongoing and increasing issues associated with Homelessness and random damage with graffiti in the downtown area, SOBO has had a fairly interesting year. The Committee was successful in gaining SCCIA Board approval to hire a new staff position that will be employed to manage litter removal on a daily basis.

The Committee was able to have three minor landscape improvements installed/upgraded by Smith and Enright. We added landscaping in the median planter located at the intersection of Monterey Street and John Street, added an aesthetic element to the planted at the corner of Alisal Street and John Street and added improved the look of the entrance to the City lot on Monterey Street at the SEIU office location.

Finally, while not an accomplishment, the Committee embarked on pressure washing. Both sides of Gabilan Street between Main Street and Salinas Streets were pressure washed. Unfortunately, the pressure washing was an overall bust. There is little access to water downtown and the firm we contracted with was unable to figure out how to access water for pressure washing. We concluded that effort when SOBO was asked to front an expensive deposit to rent a meter to access water from the fire hydrant system. Based on this attempt, we would conclude that pressure washing is a time-consuming and unproductive exercise the way it was being pursued in 2020.

Committee Goals

The basic Goal of the SOBO Committee is to provide a level of service that is in line with the SCCIA Budget. We strive to continue to refine operations as comments come in from the SCCIA constituency and seasonally when the daylight hours change.

2020/21 Budget

We assume that the SOBO budget will remain stable for the 2020/21 Fiscal Year with an allocation of \$273,583.00 These fees will be used for landscape maintenance, security, SCCIA administrative support and staffing, as follows:

Security

We anticipate continuing with Allied Security at a cost of approximately \$119,808 a year (\$2,304.00/week). This contract provides security coverage from Monday through Saturday. We have not had any communication regarding potential cost increases for the upcoming year.

<u>Landscaping – Zone 1</u>

We anticipate continuing with Smith and Enright for Zone 1 maintenance of approximately \$38,400 annually (\$3,200 a month). We anticipate that the City's implementation of the Main Street improvement program includes fully planting the area with new landscape material. To maintain other areas off Main Street, we would include a budget of \$3,000 for plating material (plants, bark, mulch, etc.).

Maintenance – Zone 2.

Assuming HOPE Services Returns, the estimated monthly costs will be approximately \$42,000 (\$3,500/month), with an annual increase in January. Since Covid-19, we have not had any communication with HOPE Services since Pam Smith retired. Future contract discussions are anticipated when they will resume services.

In the interim, we will continue using Smith and Enright for Zone 2 maintenance at a cost \$42,120 annually (\$3,510.00/month).

Staff Hire - Litter Pick-up and Maintenance

At its September 10, 2020 Board meeting, the SCCIA approved a new position for trash pick-up. The estimated 2020/21 FY costs associated with this position are approximately \$50,000/yr. This assumes this position will ultimately be a supervisor with a starting wage of \$20.00/hr. (\$41,600.00) and the remaining fees for worker's comp insurance, payroll taxes, outside services, etc. We are working with an HR consultant to go through the hiring process.

Conclusion

The proposed SOBO Budget for 2020/21 is estimated at \$253,208.00, leaving a reserve of \$23,375 that may be needed for mid-year adjustments (add-on landscaping projects, Security overtime, unanticipated work needed.

We do estimate that as City work progresses on Main Street, SOBO will come back to the SCCIA Board to discuss Security and Maintenance, with the prospect of further increasing SCCIA staffing to off-set use of consultants as the Main Street project warps up.

2020 Accomplishments

1. Main Street Streetscape Project Started.

- Engaged in 6 months of communication and collaboration with Mayor, City Manager and Public Works personnel to minimize business/shopping interruptions and developed a parking strategy for both clientele and employees.
- We compliment City Traffic Engineer, Andrew Easterling, for weekly construction e-mails with updates on work completed, scheduled work for the upcoming week and any vehicle traffic and/or sidewalk closures.

2. TAMC Completes First Phase of New Intermodal Transit Center.

• An essential transportation component for the Downtown Vibrancy Plan and a key element to support housing development in downtown.

3. Salinas National Bank Building Housing/Retail (301 Main St.).

• Adaptive reuse of the historic building moves into construction phase, converting former office space, 2nd floor up into residential apartments with commercial activity planned on ground floor.

4. <u>Taylor Fresh Foods Acquires 300 Main St. and former Greyhound Bus</u> Station properties.

• City of Salinas new Blighted and Vacancy Property Ordinance is working in Downtown Salinas. 300 Main Street will have retail on the ground floor and floors 2 and 3 will be home to 19 residential apartments, one & two bedroom plans.

5. Additional Housing Opportunities Coming to Downtown

City of Salinas planning for eventual sale/conversion of some
 Downtown City owned parking lots into mixed-use development,
 encouraging the opportunity for more housing opportunities.

6. <u>Monterey County/City of Salinas Proposed New Shared Parking</u> Structure:

 SCCIA supports parking structure being built on corner of Church & Gabilan Streets.

7. <u>Streamlining City of Salinas Community Development/Permitting Process:</u>

- City of Salinas, SCCIA, Salinas Valley Chamber of Commerce and Salinas Valley Builders Exchange representatives began working together to streamline current permitting process.
- Example in process: Development of a New Downtown Salinas Historical Sign Ordinance permitting for signs evoking the Art Deco/Modern style of Downtown Salinas in its vibrant 1920's 1940's era.

8. Salinas Police Officers Assigned to Downtown Salinas:

- September 2020, Salinas Police Department assigns two officers for foot patrol in the downtown area.
- Business owners very pleased with the addition of Community Policing in downtown.

2021 Proposed Goals & Objectives

1. Main Street Streetscape Project:

- Present Goal: March,2021 is targeted completion timeline.
- <u>Action:</u> Continue weekly communication and meet w/City &
 Construction Team insuring project stays on-time or possibly could be
 completed earlier.

2. <u>Develop Lincoln Ave. Masterplan (like Downtown Vibrancy Plan):</u>

- <u>Goal:</u> Utilize local resources, local stakeholders and Staff to develop Lincoln Ave. Masterplan (like Downtown Vibrancy Plan).
- <u>Action:</u> Promote Downtown as a centralized, accessible location for local government agencies to serve the public, with the objective of encouraging more agencies/businesses to move operations into the Downtown.
- Action: City/County joint parking garage becomes reality.
- <u>Action:</u> MST moves from present location to Intermodal Transportation Center and/or identifies additional possible Downtown locations for consideration.

3. Increasing Future Parking:

- Goal: Create more parking for Downtown Salinas
- Action: Identify current parking lots best suited to become multi-deck parking structures (size of existing lots today/location).
- <u>Action:</u> Study multi-level parking structures with Commercial retail/ services, etc. on ground floor.
- Action: Financial estimates and possible funding sources?
- <u>Action:</u> Continue to monitor progress of County/City shared parking structure progress.

4. Residential Development Downtown:

- Goal: Create housing opportunities in Downtown Salinas Area
- <u>Action:</u> Housing incentives: examples of other Cities who've been successful in their downtowns?

- Action: Extend sunset on inclusionary housing relief.
- Action: Review new State laws relative to ADU development.

5. Salinas Permitting Process

- <u>Goal:</u> Permit Process becomes a Positive Experience for Developers, Builders, Business Owners, City Residents and City Staff.
- <u>Action</u>: SCCIA will continue to work with City Staff, Chamber of Commerce and Building Community to identify opportunities.
- <u>Action:</u> Continue collaboration with City Staff, sign manufacturers, historic preservation activists, property owners and business owners to enact New Historical Signs Downtown
- Action: support establishment of Professional Appeals Board
- Action: support Over-The-Counter (OTC) permits for simple signage and retail improvements

6. <u>Downtown Salinas Safety & Cleanliness Perception</u>

- Goal: Safe, clean and friendly community environment for All (every day & night).
- Action: Continuance of Community Policing Downtown (2 officers).
- Action: Effective lighting of streets, sidewalks and parking lots.
- <u>Action</u>: Keeping sidewalks, parking lots and streets clean ((garbage containers not overflowing, etc.)
- <u>Action:</u> Monitoring & helping homeless or others to locations providing services needed (example: Navigation Center in China town and the new City Shelter on Laurel)

7. SCCIA Representatives Continue Bi-Monthly (once every 2 months) Meeting w/City Manager & Mayor.

• Goal: A Top-to-Top dialogue opportunity to keep both the City and Downtown informed on activities/topics "what's going well and where help is needed".
