# About Salinas City Center

In 2015, downtown property owners voted to form an improvement district and to assess their properties. Early in 2016, the property owners formed a 501(c)3 public benefit corporation called Salinas City Center Improvement Association (SCCIA). SCCIA is now up and running, with a district manager, maintenance employees, and a full slate of volunteers working hard to implement the vision for a vibrant downtown.

There are two distinct areas of investment that are funded from properties within the district, consisting of Sidewalk Operations, Beautification, and Order (SOBO) and District Identity and Streetscape Improvements (DISI). Both are supported by a volunteer committee to develop their programs. A third committee, Land Use, works to promote City, County, and Public Agency cooperation for new development and planning.

Property owners through SCCIA desire to positively affect downtown Salinas by collectively advancing the Vibrancy Plan originally set out by the City. Our goal is to create a vibrant business, retail and entertainment center that all of Salinas can come to and enjoy. We support development of new residential units, increased foot traffic, public engagement with the downtown, and a thriving retail sector with bustling restaurants, bars, and coffee shops. We want the district to be a welcoming and exciting place for professionals, students, visitors, and residents alike. We embrace the rich culture and history of our people and our town.

This modern, urban environment is achieved through a series of measures, including beautification, safety, and cleanliness as well as developing a strong district identity with marketing campaigns.

The SCCIA Board of Directors welcomes and encourages public input and participation in issues that affect our community. For more information on how you can get involved, please contact District Coordinator Greg Hamer.

# A Message from the President

Dear Friends and Neighbors,

There has never been a more exciting time to experience Salinas City Center. Our vibrant downtown is thriving with new energy, creative momentum, and a spirit of community that's hard to find anywhere else. Whether you're a longtime resident or just discovering what makes our city special, I invite you to come down and be part of the transformation.

From colorful public art and historic architecture to local shops, farm-to-table dining, and family-friendly events, Salinas City Center is where tradition meets innovation. You'll find businesses owned by your neighbors, performances by local artists, and gathering spaces designed to welcome everyone. We're investing in the future while honoring our past — and it shows.

Make sure to visit businesses marked with 🏆 and ✨ ! They received recognition from the Monterey Herald Readers Choice and Best of Monterey County by the Monterey County Weekly.

Come for the murals, stay for the music, the food, and the friendly faces. This is your downtown. Let's continue building it together.

Warm regards,

Audrey Wardwell

President, Salinas City Center Improvement Association
