

SALINAS CITY CENTER
IMPROVEMENT ASSOCIATION

2024 ANNUAL REPORT

10B MIDTOWN LANE, SALINAS CA 93901

Executive Summary

Salinas City Center is the cultural soul of Salinas. Every year hundreds of events come downtown to enjoy the clean, safe, and vibrant streets created by the Salinas City Center.

Salinas City Center acts as an economic multiplier with investment dollars. By consolidating special district assessments we are able to create a value-add proposition for all property owners in the district.

This investment is enabling the revitalization of the downtown district. Even the Mountain Lions want to be part of Salinas City Center.

About the Salinas City Center Improvement Association

In 2015, downtown property owners voted to form an improvement district and to assess their properties. Early in 2016, the property owners formed a 501(c)3 public benefit corporation called Salinas City Center Improvement Association (SCCIA). SCCIA is now up and running, with a district manager, maintenance employees, and a full slate of volunteers working hard to implement the vision for a vibrant downtown.

There are two distinct areas of investment that are funded from properties within the district, consisting of Sidewalk Operations, Beautification, and Order (SOBO) and District Identity and Streetscape Improvements (DISI). Both are supported by a volunteer committee to develop their programs. A third committee, Land Use, works to promote City, County, and Public Agency cooperation for new development and planning.

Property owners through SCCIA desire to positively affect downtown Salinas by collectively advancing the Vibrancy Plan originally set out by the City. Our goal is to create a vibrant business, retail and entertainment center that all of Salinas can come to and enjoy. We support development of new residential units, increased foot traffic, public engagement with the downtown, and a thriving retail sector with bustling restaurants, bars, and coffee shops. We want the district to be a welcoming and exciting place for professionals, students, visitors, and residents alike. We embrace the rich culture and history of our people and our town.

This modern, urban environment is achieved through a series of measures, including beautification, safety, and cleanliness as well as developing a strong district identity with marketing campaigns.

The SCCIA Board of Directors welcomes and encourages public input and participation in issues that affect our community. For more information on how you can get involved, please contact District Coordinator Greg Hamer.

Why Salinas City Center?

Salinas City Center is a vibrant part of Salinas. Thousands of people flock to the growing beer scene, active nightlife, and to the many events spread throughout the year. It is home to our local city government, Monterey County offices, Monterey County Superior Court, Taylor Farms, and nearly 200 other small businesses!

Salinas Arch for the 4th of July.

Economy

Shopping, Business, & Professional Services

Salinas City Center is home to businesses, both large and small. The majority of businesses are service based, followed by food and beverage establishments, and retail stores. Hundreds of employees work at these businesses.

Salinas City Center is less than 1% the size of the City of Salinas. In that small size, we have more than 4% of all businesses registered in Salinas. Businesses choose Salinas City Center to be close to their customers, other amenities, and to be part of a vibrant community!

Sales Tax

Sales tax revenue is a good way to measure the economic impact of an area. Since sales tax is collected on most goods and services, it directly tracks how much people are spending. Higher sales tax revenue usually means more economic activity — people are buying more, businesses are thriving, and money is flowing. Sales tax captures spending from both locals and visitors. This makes it a useful gauge for tourism and overall economic vitality. For example, if a city sees a spike in sales tax during a big event or season, it likely reflects an influx of visitors and increased business traffic. Lastly, tracking sales tax revenue over several years can highlight patterns — whether an area is growing, staying steady, or experiencing a downturn — making it a reliable long-term indicator.

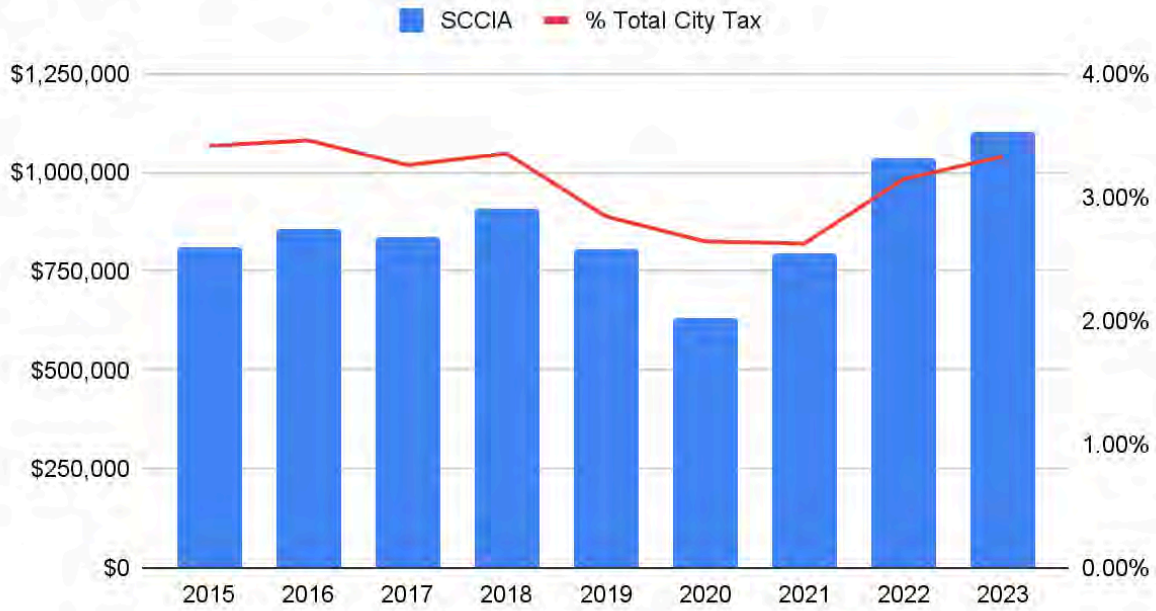

Salinas City Center continues to average between 3% and 4% of collected revenue in Salinas as a whole. As noted in the graphs below, recovering from COVID-19 is still ongoing, but generally trending up. The first graph is more detailed and divided into quarters. It reflects the latest data available to staff. The second graph is more broad and removes the incomplete years of 2014 and 2024.

SCCIA Salinas Tax Revenue by Quarter

SCCIA Salinas Tax Revenue by Year

Properties

Salinas City Center includes approximately 113 acres of the historic downtown. This acreage represents 0.54% of total acreage within the city but nearly 1.5% of the total assessed value! The current assessed value of Salinas City Center is \$196,862,928. Salinas City Center land and properties are nearly **three times** as valuable as the average acre in the rest of Salinas. With the continued development of redundant parking lots and derelict buildings, the economic value of Salinas City Center increases and becomes a more attractive place to Live, Work, and Play!

In 2023, a total of \$1,898,483 was collected in property taxes. In 2024, this figure increased to \$1,968,629, an increase of 3.56% or \$70,146.

Visual Representation of Assessed value and property taxes.

All unmarked parcels or Blue parcels either pay less than \$2000 a year in property taxes or \$0 depending if they belong to local government or non-profit entities.

There are a substantial number of properties in the Salinas City Center district that, while very valuable, belong to government entities and non-profits and therefore untaxed. As the city of Salinas continues to divest properties to private entities, property taxes will increase in the district.

Pedestrians

Salinas City Center is rapidly becoming a “15 Minute City” where all local amenities are nearby within a short walking distance. Salinas City Center is the only location in Salinas that has Restaurants, Coffee Shops, Bars, Library, Bookstore, and City Services, and Transit stops within a 15 minute walk. As illustrated by the image, Salinas City Center is a pedestrian hotspot.

With Salinas City Center being a destination for locals in the Salinas area, it is no surprise that thousands of pedestrians cross our streets on a monthly basis.

Over 400,000 pedestrians utilized the scramble crosswalk on the intersection of Main Street and Alisal Street in 2023, and this increased in 2024 to nearly 450,000!! On average, Salinas City Center experienced 8% more pedestrian crossing compared to the previous year.

The visual graph below further illustrates that in general the pedestrian traffic overall is higher compared to last year. This further reinforces that Salinas City Center is the downtown destination of Salinas.

Events

Salinas City Center is host to many events throughout the year. Events counted are either in the Public Right of Way (Main Street), or hosted inside private businesses. 2024 is the second year that events and attendance were counted, and while counts are requested from organizers, not every organizer opted to release counts.

Salinas Valley Food & Wine Festival

Salinas City Center Improvement Association identified 210 events in 2024. Organizers were contacted, and 78 provided attendance figures.

Identity

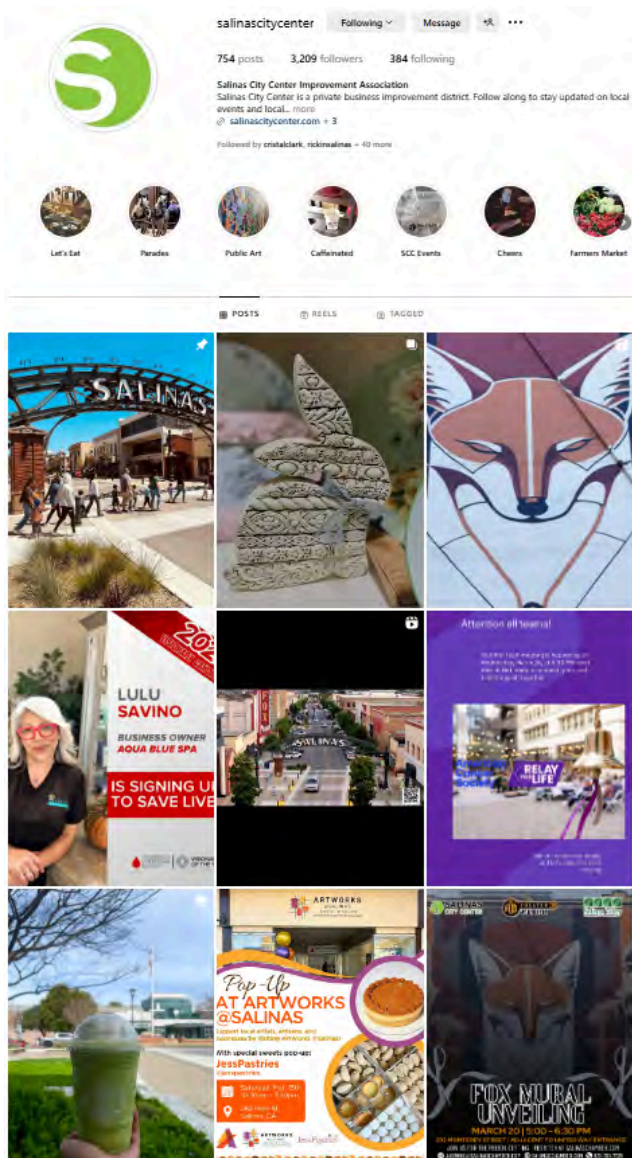

Salinas City Center Improvement Association wants to be known as a clean, safe, vibrant district where all are welcome. In order to accomplish this we manage several social media accounts, email mailing lists, the corporate website, and contract to several media outlets to spread information.

SCCIA also decorates several alleys on Main St, has a year-round tree illumination encroachment permit, and are actively pursuing additional murals that are in various stages of planning.

KSBW

During the holiday season, SCCIA advertised on KSBW 52 times with a 30-second commercial to promote Salinas City Center.

In addition, the commercial was shown 26,073 times on <https://ksbw.com>.

Monterey County Weekly

This image was printed 3 times as a half-page advertisement in the Monterey Coast Weekly.

It has a 75,000 copy circulation throughout the Monterey area.

During the holiday season, a series of 12 email blasts totalling nearly 175,000 emails was sent out over 6 weeks. It resulted in over 100,000 email opens and views of the advertisement (a small increase compared to 2023).

“Best of Monterey County”

In addition to paid advertisements, the Monterey County Weekly also publishes the “Best of Monterey County..” series. Salinas City Center businesses and people were well represented!

Main Street Banners

Salinas City Center holds the current permit to mount event banners on all the lamp posts on Main St with the City of Salinas. To showcase all Salinas has to offer, substantial effort is placed in displaying as many non-profit organizations as possible.

Hometown Heroes was one of the first organizations to request a permit and display banners. This Salinas favorite displays local Veterans during Memorial Day and Veterans Day.

In 2024 the Salinas City Center displayed 6 different styles of banners celebrating Salinas Valley Health, Blue Zones, Hometown Heroes, American Cancer Society's Relay for Life, along with the regular green Salinas City Center banners and Holiday themed banners.

Organizations are invited to participate in the banner program to showcase their organization on the aesthetic light fixtures adorning Main St.

Streetscape Murals

Salinas City Center invested in 2 murals in the district. In 2024 we commissioned the Salinas Habitats and the Fox mural. Both were made possible by generous grants from the California Arts Council and Nancy Eccles and Homer M. Hayward Family Foundation.

United Way of Monterey County & Midtown Alley

Salinas City Center is actively partnering with other local organizations to realize their goals. The current SCCIA Board President, Audrey Wardwell, and the District Coordinator, Greg Hamer, are representing Salinas City Center on the United Way of Monterey County Mural Advisory Committee.

The goal of the committee is to create 16 separate pieces of art along the open wall of the United Way of Monterey County's building on Midtown Lane. So far 4 have been completed with several more in the planning stages.

Year Round Decorations

Along with tree trimming, Salinas City Center maintains the tree lights in all the Main Street trees. Lights turn on at dusk and turn off at dawn along with regular street lighting. During the Holidays, Salinas City Center installs additional lighting and decorations on the street lights.

Lastly, the Salinas Tree of Peace is raised at 1 Main St, the site of CSUMB @ Salinas City Center.

On the 200 block of Main St, two alleyways connect parking areas to shopping areas that hundreds of people traverse on a daily basis. In order to make the space more hospitable, Salinas City Center installed overhead patio lighting several years ago.

During the installation of the Salinas Habitats mural we took the opportunity to remove and reinstall alley lighting 4 feet higher to deter vandalism.

Today we also use the overhead space to highlight special seasons such as Valentine's day, Halloween, Springtime flowers, and many others.

Major Expenses

Landscaping

Salinas City Center Improvement Association currently contracts with Smith and Enright Landscaping to manage the district streetscape.

Services include maintaining the cleanliness along the right-of-way, landscape trimming, watering of plants, etc. This service ONLY includes the public right-of-way, and no private properties or government occupied properties are included.

Occasionally additional work is performed such as tree trimming, removing hazardous items, or cleaning.

SCCIA expends approximately \$100K per year on landscape services.

Security

Security is and has been a major concern of the merchants and visitors to Salinas City Center. To address these concerns, SCCIA contracts with a security company to provide guards to the district. These guards help business owners and merchants navigate non-emergency situations that arise, cooperate with law enforcement when needed, and lend a peace of mind. Everyone in the district is invited to call the on-duty guard whenever assistance is needed.

Currently security services are present 64 hours (6 days) per week in 2024, which was reduced from 80 hours per week in 2023.

Salinas City Center spends approximately 20%, or \$100,000, of the budget on contracted security services through Allied Security.

In addition to Salinas PD cameras located throughout Main St, many businesses also deploy private cameras. Systems range from fully managed and monitored cameras (for example located at 295 Main St and the United Way of Monterey County) to regular Ring or similar cameras located at many merchant businesses.

Increasingly these private systems are requested by the Salinas PD to solve crimes that the PD cameras do not capture.

Salinas City Center is committed to safety and the support of policies that will ensure the well-being of our visitors.

Maintenance

Salinas City Center has 2 full time staff members to keep the district clean and sanitary. Together they perform daily trash pickups, graffiti abatement, and general maintenance. They are responsible for picking up hundreds of bags worth of trash, hundreds of graffiti removals, and picking up hundreds of instances of waste. Without them the district would not look as well maintained.

Accountants Compilation Report

Fiscal Year of December 2023 - November 2024

ACCOUNTANTS' COMPILATION REPORT

To The Board of Directors
Salinas City Center Improvement Association
Salinas, California

Management is responsible for the accompanying financial statements of Salinas City Center Improvement Association (a nonprofit organization), which comprise a statement of assets, liabilities and fund balance – cash basis as of November 30, 2024, and the related statement of revenues and expenses – actual vs. budget – fiscal year 2023-2024 – cash basis for the twelve months then ended, in accordance with the cash basis of accounting, and for determining that the cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the statement of revenues and expenses – actual vs. budget – fiscal year 2023-2024 – cash basis nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the statement of revenues and expenses – actual vs. budget – fiscal year 2023-2024 – cash basis.

The financial statement is prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The supplementary budget information contained in the statement of revenues and expenses – actual vs. budget – fiscal year 2023-2024 – cash basis is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management. The supplementary budget information was subject to our compilation engagement. We have not audited or reviewed the supplementary budget information and do not express an opinion, a conclusion, nor provide any assurance on such information.

Management has elected to omit substantially all the disclosures ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the financial statement, they might influence the user's conclusions about the Company's assets, liabilities, fund balance, revenues and expenses. Accordingly, the financial statement is not designed for those who are not informed about such matters.

We are not independent with respect to Salinas City Center Improvement Association.

Accomplishments and Goals

Sidewalk Operations, Beautification, and Order (SOBO)

The Sidewalk Operations, Beautification, and Order Committee (SOBO) is charged with making the Salinas City Center District (District) a safe and inviting place by overseeing private security, coordinating security needs with the City of Salinas Police Department, maintaining the sidewalks and landscaping, and beautifying the District for the enjoyment of the public, merchants, property owners, and employees.

Committee Background

The SOBO Committee was established as an ad-hoc committee in 2016. The Committee is run by a volunteer group that addresses security and sidewalk maintenance.

In previous years, SOBO's services were performed through contracts with independent contractors and one employee.

SOBO staff and day-to-day operations are led by Greg Hamer, SCCIA District Coordinator, with oversight from the Committee.

Accomplishments FY Dec 23/24

- Continued to contract with Allied Security for security services throughout our District. To improve security, Allied provides foot patrol six days a week; interacts with the local homeless population; responds to calls from local merchants, businesses and property owners; and coordinates with the police department.
- Continued to contract with Smith & Enright for landscaping and sidewalk maintenance services to the entire District. Smith & Enright's services cover the entire District and include trimming, weeding, sweeping, blowing, and picking up debris twice a week.
- Added regular pressure washing service to the new Main Street Project Sidewalks to address the staining that was occurring on the new concrete. Currently, the sidewalks are pressure washed on a monthly basis during summer months.
- Supervised the work efforts of Kevin Hayes in his Streetscape Maintenance position. Kevin provides valuable maintenance throughout the District as needed, with positive feedback from the business community. His electric utility vehicle helps him efficiently manage our District.
- Added a second full-time streetscape maintenance position to better serve our District. sources of water to allow for landscape irrigation.
- Replaced several trees in the District and provided tree maintenance activities.
- Secured pricing quotes for refurbishment of tree wells and planter boxes that need attention.

- Issued an RFP for security services for FY Dec 24/25. Security represents a significant cost to the District, and an RFP assists in providing the maximum service to the District in a manner that is in line with our budget.
- Replaced all tree well electrical outlets on the 200 and 300 block with outlets mounted 15ft high in the trees to deter stealing of electricity.

Goals FY Dec 24/25

- Continue to provide maintenance, beautification and security to our District in a manner that is in line with our budget.
- Continue to evaluate the effectiveness of the current pressure washing program. If effective, study budget or grant opportunities to modify the pressure washing program as funds become available.
- Work with SCCIA's District Coordinator, including supervising maintenance staff, overseeing payroll, communicating with SCCIA constituents, and purchasing supplies, as needed.
- Seek grant funding for additional tree work, including tree planting in vacant tree wells throughout Zone 2.
- Pursue grant and funding opportunities to supplement SOBO revenue to not only assist with cost increases but to enable additional services throughout the District.

Current Landscaping and Maintenance – Zones 1 & 2

Smith & Enright currently provides maintenance to the entire District. We anticipate continuing with Smith and Enright for FY Dec 24/25, with possible cutbacks to be considered during the fiscal year in light of our increasing staffing.

Additional services are projected for aphid control, plant/tree replacement and tree pruning during FY Dec 24/25. These items will be considered on a case-by-case basis. Some of these costs are included in the proposed budget, while some are intended to be funded from grant funds.

Sidewalk Pressure Washing

SOBO anticipates continuing to provide periodic spot treatments in FY Dec 24/25 of the Main Street sidewalks. Continued participation with the Farmer's Market (300 Block) and Taylor Farms (west side 100 Block) will continue to be explored.

Conclusion

SOBO operations have matured and are continuous with little variation. However, we have been able to expand our staffing to better serve the needs of the District. As SCCIA is a volunteer organization, the added staffing was only made possible by the addition of the SCCIA District Coordinator position. With two maintenance employees starting off in FY Dec 23/24, we look forward to being able to improve our overall level of service.

District Identity and Streetscape Improvements (DISI)

Accomplishments FY Dec 23/24

- Solicited multiple grant funds to be used in 2024/2025
- Enhanced communication and visibility with Downtown merchants by way of new District Coordinator to work on development of a Downtown merchant group
- Monthly newsletter Continued: Social media postings.
- Holiday décor and festivities including tree lighting and moved Holiday tree lighting to occur with Shop Small Saturday for a larger impact.
- Alley activation installations were enhanced including re-mounting new stainless steel wire after the Salinas Habitats Mural was completed.
- Mural program for Downtown Salinas; approved two murals to be installed downtown
- Created Hopstock installation on sidewalk for two locations with more youth engagement and healthy movement in partnership with Blue Zones.
- Partnerships with major Downtown stakeholders: CSUMB @SCC, Downtown Rotary, Alvarado on Main, Taylor Farms, Artist Ink, Arts Council etc.

Goals FY Dec 24/25

- Produce video media promoting downtown.
- Install additional murals and sculptures downtown.
- Create more conversation areas with furniture.
- Repaint all planters in Melody Ln and Harmony Ln.
- Create a Food & Drink Bingo card for downtown establishments.
- Continue to explore adding more organizations to the banner program including local schools.

Land Use Committee

Accomplishments FY Dec 23/24

Housing

To the extent possible, monitored the status of proposed new transit-oriented density housing on city parking lots in Downtown Salinas and the exclusive negotiating agreement toward approval of those parcels.

Highlighted how the City of Salinas has advanced towards its Regional Housing Needs Allocation (RHNA) goals through adaptive reuse development in the Downtown.

Downtown Parking Facility

Continued interaction with County of Monterey and City of Salinas officials in the planning stages for a potential Downtown Parking Facility adjacent to the County Government Center, as indicated in the Downtown Vibrancy Plan.

Parking Management District

Collected records from dozens of other California cities related to their Downtown Parking management programs and discussed the possible approach and timing for a parking study with City planning staff.

Intermodal Transportation Center

Continued to track the status of the Salinas Kick-Start Project Phases 2 and 3, as well as the initiation of planning for the Parajo station, toward the ultimate goal of commuter trains between Salinas and the South Bay (and beyond).

Permits and Agreements for Signs, Awnings, Facades, and the Salinas Arch

Worked in collaboration with business owners and the City of Salinas to resolve regulatory obstacles to installation of signs, awnings, and other facade improvements in Downtown Salinas.

Since 2019, SCCIA has been promoting to city staff the idea of a Vintage Sign Ordinance that would encourage local businesses to install high-quality signs that evoke the art deco/art moderne era of Downtown Salinas in the 1930s and 1940s. At this time SCCIA is seeking inclusion of the ordinance in the revised General Plan and has asked the Historic Resources Board to support a vintage sign ordinance. A model of the El Rey Theater original sign has been restored and can serve as an inspiration to other property owners and merchants.

A maintenance agreement was finalized with SCCIA, Salinas Rotary, and City of Salinas.

Permit Reform

Worked in a coalition with other business organizations to monitor the city's permit process and provide input for improvements through a Business Development Committee.

Accurate Assessment of Vacancies

Directed the SCCIA district coordinator to create and maintain an accurate record of who owns properties and operates businesses within the Salinas Community Benefit District, in order to identify vacancies and consider a plan to get those vacancies filled.

Traffic Issues

Maintained communication with the Public Works Department on evaluation of the diagonal "scramble" crosswalks and how they affect traffic flow and pedestrian behavior.

Outdoor Dining

Monitored the city's development and promotion of a permit program and financial assistance for outdoor dining.

Historic Preservation and Promotion

Supported a renewed Mills Act program with better promotion and accountability and an effort to expand what is considered to be "historic."

Continued support of a revitalized Historic Resources Board.

Continued support of the concept of a city Heritage Park that would encompass the narrow parcels within the Intermodal Transportation Center where historic structures are located. As part of that support, ensured that supporters of the proposed Heritage Park did not intend to block or inhibit potential transit-oriented density residential development at the Intermodal Transportation Center.

Food Trucks and Mobile Vendors

Tracked continued implementation of the city's food vendor program and did not identify any problems. Continue to address illegal/unpermitted food vendors, trash, and staining of sidewalks in the evenings and weekends.

Salinas Arch Maintenance

Advanced toward a maintenance agreement with SCCIA and Salinas Rotary to maintain the Salinas Rotary Arch and implement a plan for quick removal of graffiti using appropriate methods.

Goals FY Dec 24/25

1. Support and Advocate for Continued Implementation of the Downtown Vibrancy Plan - maintain a list of what in the Downtown Vibrancy Plan has been completed, what is in the process of being done, and what still remains to be done. Ask the City to prepare a progress report at least annually. Continue to highlight the relationship of the Downtown Vibrancy Plan to other plans, such as the Economic Development Element of the General Plan, the Alisal Vibrancy Plan, the Chinatown Revitalization Plan, and others.
2. Achieve a Revenue-Neutral, Vibrancy-Oriented, Publicly-Accountable Parking Management Program - develop and implement a comprehensive plan for a public-private Downtown Parking Management District, for the purpose of reducing parking frustrations for customers, merchants, employees, and other businesses while generating revenue that pays expenditures for adequate, quality operations and maintenance in the District. This includes seeking City/County financing, environmental review, approval and construction of a parking structure at Gabilan and Church with design standards that contribute to the aesthetic character of Downtown.
3. Pursue Public and Private Policies that Promote and Highlight Historical, Cultural, and Aesthetic Aspects of Downtown Salinas - emphasize the distinctive buildings, facades, and cultural and historical elements of Downtown through initiatives including a Vintage Sign Ordinance and a facade illumination program, so residents of the region, visitors from outside the region, and business owners choose Downtown as a destination. Work with the California Welcome Center, the First Mayor's House, the Heritage Park organization, the UC Valleys of Anza project, the Historic Resources Board, and other groups dedicated to historic preservation and promotion.
4. Improve the Permit Process to Encourage Commercial and Residential Development - continue active participation in a coalition of business groups currently known as the Business Development Committee to review and recommend improvement to the permit process, including proper assessment of traffic impact fees and reasonable review of planning, building and sign applications within SCCIA Boundaries.

5. Prevent Property Neglect and Blight - monitor and report dilapidated vacant buildings for potential City enforcement action, track short-term commercial vacancies, and encourage building owners to activate long-term commercial vacancies.
6. Monitor:
 - a. Operations of Downtown Events and recommend policies and changes as necessary to relevant parties.
 - b. Diagonal scramble crosswalks at the intersection of Main Street and Alisal Street and work with the City of Salinas for solutions to traffic backups that occur there at certain times.
 - c. Others as needed may develop.
7. Seek Grants to Provide Expertise or Resources to the Land Use Committee in Advancing the Downtown Vibrancy Plan:
 - a. Expand the vision of Downtown by obtaining advice, studies and models from outside experts and by seeking analysis of projects and programs that increase vibrancy in other downtown districts in California and elsewhere.
 - b. Study Downtown streets to reduce speeds, improve circulation and pedestrian safety, and broaden parking options.
 - c. Others as needed may develop.
8. Finalize and Ratify Rotary and SCCIA Arch Maintenance Agreement.
